

Cragmont has a sister school in Shirati, Tanzania!

Our relationship with Tina's School was founded in the summer of 2016 when our science teacher, Ms. Cherene, was granted a summer fellowship from Berkeley Public Schools Fund to teach science and English as a second language at Tina's. Tina's School is run by the local nonprofit REACHShirati (Rural Education and Community Health) and has very deep roots here in Berkeley.

In our role as a sister school we hope to raise funds to sponsor at least six students (K-5) at Tina's School. **\$175** will pay for the tuition, uniform, paper, pencils, backpack, and **HEALTH CARE** for one year for one student.

Our fundraising goal is to raise at least \$1050. **If each student at Cragmont gives just \$2.50 we will reach that goal. Please send your student to school with a contribution of any amount (coins accepted).** We will be collecting the money from the classrooms and reporting on our progress for two weeks starting March 5th through March 16th. If you want to write a check please make it out to REACHShirati and if you would prefer to make a contribution online please go to REACHShirati.org. All donations are tax deductible.

Questions? Ask Ms. Cherene - cherenefillingimse@berkeley.net
Asante Sana - Thanks!
