Welcome to Cragmont!

Welcome to Cragmont School! We are so excited to have you join our outstanding Cragmont community. You are now part of a thriving community committed to making our school an awesome place to be. We are an active, innovative, engaged, and inclusive community of staff, students, and families, all housed in a beautiful building with views of the bay.

As our mission statement says, we are dedicated to providing an outstanding education for all students while laying the foundation for each child's personal success. Our programs combine academic rigor and intellectual challenge with strong support for students of all abilities. We are committed to a safe and supportive environment that includes all students. Our enriching curriculum includes science, art, music, P.E., dance, and trips to our impressive and beautiful library.

Membership Toolkit Signup: It only takes a few minutes!

The Cragmont PTA uses Membership Toolkit to facilitate school-wide communications, connect families with each other, and more. Because BUSD is legally required to protect contact information for families, our PTA asks families to volunteer their information so we can all stay connected. This service is secure, easy-to-use, and only available to current Cragmont families.

Go to cragmont.membershiptoolkit.com to sign up for messages from the PTA.

Consider donating to the Cragmont PTA

The Cragmont Fund supports many programs at our school that enrich the Cragmont experience for our students, such as our arts programming, Mosaic, garden program, math interventions, critical school supplies, and much more.

Please consider donating what you would have paid for one month of preschool. Learn more at cragmont.org/cragmont-fund

Join the PTA

The PTA builds community. Our active calendar of diverse school activities and events provides the opportunity to form lasting bonds with fellow families within the Cragmont community. To be involved, or if you have questions, email: ptapresident@cragmont.org

We are actively seeking people to lead events, fundraising, and other essential positions to contribute to our school. The PTA helps kids be successful. Research shows that kids do better in school when their parents are engaged in the community. There are so many ways to be involved at Cragmont!

Events for incoming families

In addition to this playdate, we will have an event Sunday August 14 before school starts so you can meet the TK/Kinder teachers in-person and ask questions. Updates at cragmont.org/incoming-families
